AUGUST REPORT 2ND EDITION

A TOTAL OF 83 BAPTIZED INTO CHRIST IN THREE DIFFERENT PLACES....

And many more to be immersed into Him in the coming days!!!!

Thank you for your prayers...by God's grace the trip could not have gone much better.

Young and old, leader types and brand new followers... a teen and a lady who has been in a wheel chair for three years with bone cancer... what a time of victory and celebration.

Armando, his wife Diana, teen daughter Rutt and 12 year old son Emanuel along with the Old Gringo, made the journey across the island. We taught and preached in their home town of Castillo de Jagua, in the nearby city of Cienfuegos, and in the east the city of Jiguaní, then over to the coast at Manzanillo..... along with three of the village areas where workers have a total of ten groups.

Along with the baptisms, we taught on the Lord's Supper, an introductory booklet on Discipleship, and beginning teaching on covenants.....obviously with emphasis on the New Covenant.

Grape juice has been very hard to find, so people have improvised...But, PTL, on the way over we found grape juice in cartons, imported from Mexico....and we then found it in a number of stores.

Sooo....we celebrated the Lord's Supper with the church in Manzanillo and at Jiguaní...which was the first time for both of them....What a precious, impactful time with Him and His family there!!!!

Anyway... Left funds so Armando can go back and follow up in September, and Lord willing I will have the privilege of joining him on the following trip in Oct/Nov.
